a/ The historical data based on the Standard Industrial Classification (SIC) system is provided for research purposes only.

These data will not be updated. The NAICS and SIC data are not comparable.

b/ Excludes employers, own-account workers, unpaid family workers, domestic servants, and agricultural workers.

c/ Detail may not add to totals due to rounding.

d/ Includes employees of construction contractors and operative builders; does not include force-account and government construction workers.

e/ Includes civilian employees of Federal, State and local governments regardless of activity in which engaged.

f/ Includes repair and maintenance, personal and laundry services, and religious and civic organizations.
